

Babies in the Workplace Seminar

**Learn Everything Necessary to Successfully
Propose and Implement a Babies-at-Work Program**

From the Founder and President of the Parenting in the Workplace Institute

- **Improve** the Health and Happiness of Your Baby (and You!)
 - **Continue** to Work While Caring For Your New Baby
 - **Save** Thousands of Dollars on Day Care

Learn the Successful Principles Used at More Than **120 Companies**
That Have Hosted More Than **1,400 Babies**

LEARN

- How to overcome skepticism and convince management to start a program.
- Why structured babies-at-work programs result in unusually happy and calm babies.
- How to set up a sustainable program that will be enthusiastically supported.
- Effective methods for keeping babies happy while efficiently getting work done.
- All the benefits of babies-at-work programs for businesses, families, and society.

RECEIVE

- Two Valuable Books:
 - *How to Start a Babies-at-Work Program* and
 - *Babies at Work: Bringing New Life to the Workplace*
(<http://www.babiesatwork.org/babiesatworkbook.html>)
- Template documents to streamline setting up a new program
- Baby development resources for parents for happy babies and efficient work
